

The Secret WW 2 Learning Network

The Trustees thank you for responding to our appeal for **Friends**.

The SECRET WW2 LEARNING NETWORK was established in 2014 to devise and deliver learning projects and to link up educational and historical organisations principally, but not exclusively in France and Britain.

By becoming a Friend you'll be supporting the Charity's activities which are completely dependant upon donations and fundraising. In return you'll receive:

- A programme of events throughout the year
- Priority for any bookings required for our events
- Reduced fees for any chargeable events
- An invitation to an annual Friends' lunch
- A bi-monthly programme of free, online lectures, interviews or presentations

To become a Friend all you have to do is to print out, fill in and send off the following form - by post or email. In the meantime you can stay up-to-date by logging on to the News page of our web site - www.secret-ww2.net

You can also follow our Facebook page - www.facebook.com/pg/secretww2net/posts/

Thank you once again.

We'll contact you to confirm receipt of your completed form.
