

# Rommel's Atlantic Wall - In Surrey

**Saturday, 18th May 2019 - 11am - 12.15pm**

**Hankley Common Training Area, Thursley Road, Elstead, Surrey GU8 6L**

A walk and talk by The Secret WW2 Learning Network on how a brave French Resistance leader smuggled structural plans out of occupied France for the reconstruction of part of the Germans' much-vaunted fortification - in England.

Experience gained in attacking the recreated wall was critical at D-Day.

This will involve 30 minutes' walking on tarmac and on sandy bridleways, with inclines. Dogs welcome.  
No charge, but donations welcome.
