

Special Operations Executive French Section Memorial

Avenue de la Résistance Valençay 36600 France

The Princess Royal - Patron, Special Forces Club - will attend the **Memorial Ceremony** at midday, on **Tuesday 7th May**

(The last time HRH attended the Valençay ceremony was in May 2011.)

Several Friends and supporters already attend the annual event at Valençay in central France (normally 6th May, but this year on 7th May at 11 am) which commemorates the 104 agents of French Section, SOE who did not return from active service.

As well as the formal ceremony at the Valençay memorial on Tuesday 7th May, there will also be talks, films, meals and visits to local places of interest.

At **5 pm on Sunday 5th May** there'll also be the opportunity to attend a short memorial service for five of those agents who are named on the Monument aux Morts in the nearby town of **Romorantin-Lanthenay**.

The Valençay ceremony and the programme of events between May 5th and the 7th are managed by our Paris-based partner organisation, **Libre Résistance**.
